

OPEN EDUCATIONAL RESOURCES (OER) SUPPORTING STUDENTS WHO ARE EMERGENT BILINGUAL

During the 2021-22 school year, dedicated educators developed openly-licensed instructional resources designed to support students who are emergent bilingual.

Resources in the collection were authored and piloted by Oregon educators before being evaluated for quality by trained evaluation teams composed of content area specialists.

The collection includes high-quality open educational resources across multiple content areas from grades 6-12.
